INDEPENDENT AUDITOR'S REPORT

To The Members of
Primordial Buildcon Private Limited

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **Primordial Buildcon Private Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss, the Statement of changes in Equity and the Statement of Cash Flows for the year then ended, and Notes to Financial Statement including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2019, and loss, changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit of financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements section of our report*. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters ("KAM") are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of key Audit Matters

Sr.No.	Key Audit Matters	<u>How that matter was addressed in our audit report</u>
1	<p>Revenue recognition The application of the new revenue accounting standard involves certain key judgements relating to identification of contracts with customer, identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p> <p>Refer Notes 12 and 22 to the Financial Statements</p>	<p>Our audit procedure on revenue recognition from real estate projects included:</p> <ul style="list-style-type: none"> • Selecting sample to identify contracts with customers, identifying separate performance obligation in the contracts, determination of transaction price and allocating the transaction price to separate performance obligation. • On selected samples, we tested that the revenue recognition is in accordance with accounting standards by <ul style="list-style-type: none"> i) reading, analysing and identifying the distinct performance obligations in real estate projects. ii) comparing distinct performance obligations with that identified and recorded. iii) reading terms of agreement to determine transaction price including variable consideration to verify transaction price used to recognise revenue. iv) performing, analytical procedures to verify reasonableness of revenue accounted by the Company.

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were

operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flow and the Statement of Changes in Equity dealt with by this report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure-II". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position in its financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts.

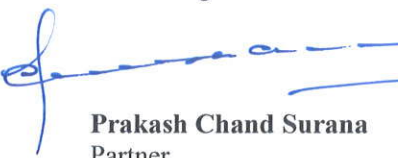

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure I**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure II to Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Primordial Buildcon Private Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Primordial Buildcon Private Limited** ("the Company") as at 31st March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Primordial Buildcon Private Limited

Regd. Office: 10, Local Shopping Complex, Kalkaji, New Delhi-110019

Corporate Identity Number : U45201DL2004PTC130453

A. Significant accounting policies

1. Corporate information

Primordial Buildcon Private Limited ("The Company") is a subsidiary company of Omaxe Limited. Registered address of the Company is 10, Local Shopping Complex, Kalkaji, New Delhi-110019.

The company is into the Real Estate Business.

2. Significant accounting policies

i) Basis of preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Companies (Indian Accounting Standards) Rules 2015 ('Ind AS') issued by Ministry of Corporate Affairs ('MCA'). The Company has uniformly applied the accounting policies during the period presented.

ii) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of returns and discounts to customers.

(a) Real estate projects

The company derives revenue from execution of real estate projects. Effective from 1st April 2018, Revenue from Real Estate project is recognised in accordance with Ind AS 115 which establishes a comprehensive framework in determining whether how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 revenue and Ind AS 11 construction contracts which prescribes control approach for revenue recognition as against risk and rewards as per Ind AS 18. The company has opted to apply modified retrospective approach as per Ind AS 115 (refer note no. 22). Revenue from real estate projects are recognised upon transfer of control of promised real estate property to customer at an amount that reflects the consideration which the company expects to receive in exchange for such booking and is based on following 6 steps :

1. Identification of contract with customers

The company accounts for contract with a customer only when all the following criteria are met:

- Parties (i.e. the company and the customer) to the contract have approved the contract (in writing, orally or in accordance with business practices) and are committed to perform their respective obligations.
- The company can identify each customer's right regarding the goods or services to be transferred.
- The company can identify the payment terms for the goods or services to be transferred.
- The contract has commercial substance (i.e. risk, timing or amount of the company's future cash flow is expected to change as a result of the contract) and
- It is probable that the company will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. Consideration may not be the same due to discount rate etc.

2. Identify the separate performance obligation in the contract:-

Performance obligation is a promise to transfer to a customer:

- Goods or services or a bundle of goods or services i.e. distinct or a series of goods or services that are substantially the same and are transferred in the same way.
- If a promise to transfer goods or services is not distinct from goods or services in a contract, then the goods or services are combined in a single performance obligation.
- The goods or services that is promised to a customer is distinct if both the following criteria are met:
 - The customer can benefit from the goods or services either on its own or together with resources that are readily available to the customer (i.e.

The goods or services are capable of being distinct) and

- The company's promise to transfer the goods or services to the customer is separately identifiable from the other promises in the contract i.e The goods or services are distinct within The context of the contract.

3. Satisfaction of the performance obligation:-

The company recognizes revenue when (or as) the company satisfies a performance obligation by transferring a promised goods or services to the customer.

The real estate properties are transferred when (or as) the customer obtains control of Property.

4 Determination of transaction price:-

The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring promised goods or services to customer excluding GST.

The consideration promised in a contract with a customer may include fixed amount, variable amount or both. In determining transaction price, the company assumes that goods or services will be transferred to the customer as promised in accordance with the existing contract and the contract can't be cancelled, renewed or modified

5 Allocating the transaction price to the performance obligation:-

The allocation of the total contract price to various performance obligation are done based on their standalone selling prices, the stand alone selling price is the price at which the company would sell promised goods or services separately to the customers.

6. Recognition of revenue when (or as) the company satisfies a performance obligation:

Performance obligation is satisfied over time or at a point in time

Performance obligation is satisfied over time if one of the criteria out of the following three is met:

- The customer simultaneously receives and consumes a benefit provided by the company's performance as the company performs.
- The company's performance creates or enhances an asset that a customer controls as asset is created or enhanced or
- The company's performance doesn't create an asset within an alternative use to the company and the company has an enforceable right to payment for performance completed to date.

Therefore the revenue recognition for a performance obligation is done over time if one of the criteria is met out of the above three else revenue recognition for a performance obligation is done at point in time.

The company disaggregate revenue from real estate projects on the basis of nature of revenue.

(b) Interest Income

Interest due on delayed payments by customers is accounted on accrual basis.

(c) Dividend income

Dividend income is recognized when the right to receive the payment is established.

iii) Inventories and Projects in progress

a) Inventories

Completed real estate project for sale and trading stock are valued at lower of cost or net realizable value. Cost includes cost of land, materials, construction, services and other related overheads.

(b) Projects in progress

Projects in progress are valued at lower of cost or net realisable value. Cost includes cost of land, development rights, materials, construction, services, borrowing costs and other overheads relating to projects.

iv) Impairment of Non Financial Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss.

v) Financial Instruments

a) Financial Assets

Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs.

Subsequent measurement

(1) Financial instruments at amortised cost – the financial instrument is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the Principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

A large, stylized handwritten signature in blue ink.

A small, stylized handwritten signature in blue ink.

b) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that are attributable to the acquisition of the financial liabilities are also adjusted. These liabilities are classified as amortised cost.

Subsequent measurement

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. These liabilities include borrowings and deposits.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or on the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

c) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 26 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

vi) Provisions, contingent assets and contingent liabilities

A provision is recognized when:

- the Company has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

vii) Earnings per share

Basic earnings per share are calculated by dividing the Net Profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the Net Profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity share.

viii) Income Tax

i. Provision for current tax is made based on the tax payable under the Income Tax Act, 1961. Current income tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity)

ii. Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

ix) Significant management judgement in applying accounting policies and estimation of uncertainty

Significant management judgements

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

(a) Revenue

Revenue is recognised on accrual basis and comprises of aggregate amounts of sale price agreed with customer and is recognised on the basis of cost of rights so transferred.

(b) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

(c) Inventories

Inventory is stated at the lower of cost or net realisable value (NRV).

NRV for completed inventory is assessed including but not limited to market conditions and prices existing at the reporting date and is determined by the Company based on net amount that it expects to realise from the sale of inventory in the ordinary course of business

NRV in respect of inventories under construction is assessed with reference to market prices (by referring to expected or recent selling price) at the reporting date less estimated costs to complete the construction, and estimated cost necessary to make the sale. The costs to complete the construction are estimated by management

(d) Classification of assets and liabilities into current and non-current

The Management classifies assets and liabilities into current and non-current categories based on its operating cycle.

Handwritten signatures in blue ink.

19. EARNINGS PER SHARE

Particulars	(Amount in Rupees)	
	For the year ended March 31, 2019	For the year ended March 31, 2018
Profit/(loss) after tax (in Rupees)	3,562,715.53	(223,045.89)
Numerator used for calculating basic and diluted earnings per share	3,562,715.53	(223,045.89)
Equity shares outstanding as at the year end	50,000	50,000
Weighted average number of shares used as denominator for calculating basic & diluted earnings per share	50,000	50,000
Nominal value per share (in Rupees)	10.00	10.00
Basic & diluted earnings per share (in Rupees)	71.25	(4.46)

20. CONTINGENT LIABILITIES & COMMITMENTS

Particulars	(Amount in Rupees)	
	As at March 31, 2019	As at March 31, 2018
Bank guarantee - in favour of Director, Town & Country Planning, Chandigarh given by holding company namely Omaxe Limited	5,683,000.00	5,683,000.00

21. Pursuant to section 45(2) of Income tax Act, 1961, capital profit amounting to Rs. 6,50,63,474/- (net of deferred tax liability of Rs. 1,49,87,951/-) arising on account of conversion of fixed asset into stock in trade had earlier been credited to capital reserve. Out of said capital profit, an amount of Rs. (13,11,853.18) (PY Rs. 7,82,889.06) has been taken to statement of profit and loss to the extent of stock sold / transferred during the year by reducing capital reserve and deferred tax liability.

22. Effective from 1st April, 2018, the company has applied Ind AS 115 which replaces Ind AS 18 and Ind AS 11. In accordance with Ind AS 115, the company has opted to apply modified retrospective approach, accordingly profit recognised till 31st March, 2018 on projects not completed/ not offered for possession amounting to Rs. 15,77,799.94 have been adjusted against retained earnings as on 1st April, 2018 (net of deferred tax assets of Rs. 5,54,362.14) by reversal of revenue of Rs. 66,07,886.28 resulting in increase in advance from customers of Rs. 40,34,560.08 and decrease in trade receivable of Rs. 21,97,487.84 and decrease in unbilled revenue of Rs. 3,75,838.36 and increase in Project in progress Rs. 44,75,724.20.

Under modified retrospective approach, the comparative of previous year have not been restated and hence not comparable.

Had Ind AS 18 and Ind AS 11 were not been replaced with Ind AS 115, revenue from operations and net profit after tax for the year ended 31st March, 2019 would have been lower by Rs. 1,01,24,826.52 and Rs. 59,11,404.11 crore respectively.

23. Balances of trade receivable, trade payable, loan/ advances given and other financial and non financial assets and liabilities are subject to reconciliation and confirmation from respective parties. The balance of said trade receivable, trade payable, loan/ advances given and other financial and non financial assets and liabilities are taken as shown by the books of accounts. The ultimate outcome of such reconciliation and confirmation cannot presently be determined, therefore, no provision for any liability that may result out of such reconciliation and confirmation has been made in the financial statement, the financial impact of which is unascertainable due to the reasons as above stated.

24. SEGMENT REPORTING

In line with the provisions of Ind AS 108 - Operating Segments and on the basis of review of operations being done by the management of the company, the operations of the company falls under real estate business, which is considered to be the only reportable segment by management.

NOTE 25 : FAIR VALUE MEASUREMENTS

(ii) Fair value of financial assets and liabilities measured at amortised cost

(Amount in Rupees)

	As at March 31, 2019		As at March 31, 2018	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
Current Assets				
Trade Receivables	3,097,701.50	3,097,701.50	3,097,701.50	3,097,701.50
Cash and Cash Equivalents	45,368.10	45,368.10	43,948.00	43,948.00
Other Financial Assets	-	-	375,838.36	375,838.36
Total Financial Assets	3,143,069.60	3,143,069.60	3,517,487.86	3,517,487.86
Financial Liabilities				
Current Liabilities				
Other Financial Liabilities	18,000.00	18,000.00	23,450.00	23,450.00
Total Financial Liabilities	18,000.00	18,000.00	23,450.00	23,450.00

For short term financial assets and liabilities carried at amortized cost, the carrying value is reasonable approximation of fair value.

Two handwritten signatures in blue ink, one larger and more stylized than the other, positioned to the right of the stamp.

NOTE 26 :RISK MANAGEMENT

The Company's activities expose it to market risk, liquidity risk and credit risk. The management has the overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

Credit risk management*Credit risk rating*

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk on financial reporting date

B: Moderate credit risk

The company provides for expected credit loss based on the following:

Credit risk	Basis of categorisation	Provision for expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances and Investments	12 month expected credit loss
Moderate credit risk	Trade receivables and other financial assets	Life time expected credit loss or 12 month expected credit loss

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in the statement of profit and loss.

Credit rating	Particulars	(Amount in Rupees)	
		As at 31 March 2019	As at 31 March 2018
A: Low credit risk	Cash and cash equivalents	45,368.10	43,948.00
B: Moderate credit risk	Trade Receivables and other financial assets	3,097,701.50	3,473,539.86

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

Maturities of financial liabilities

The tables below analyse the financial liabilities into relevant maturity pattern based on their contractual maturities.

Particulars	(Amount in Rupees)					Total	Carrying Amount
	Less than 1 year	1 - 2 years	2 - 3 years	More than 3 years			
As at 31 March 2019							
Other Financial Liabilities	18,000.00	-	-	-	-	18,000.00	18,000.00
Total	18,000.00	-	-	-	-	18,000.00	18,000.00
As at 31 March 2018							
Other Financial Liabilities	23,450.00	-	-	-	-	23,450.00	23,450.00
Total	23,450.00	-	-	-	-	23,450.00	23,450.00

Note 27 : CAPITAL MANAGEMENT POLICIES

The Company's capital management objectives are to ensure the Company's ability to continue as a going concern as well as to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The Company monitors capital on the basis of the carrying amount of equity plus its subordinated loan, less cash and cash equivalents as presented on the face of the statement of financial position and cash flow hedges recognised in other comprehensive income.

Note 29: STANDARDS ISSUED BUT NOT YET EFFECTIVE

The Ministry of Corporate Affairs (MCA) through Companies (Indian Accounting Standards) Amended Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules have notified following new and amendments to Ind AS which the Companies have not applied as they are effective from 1st April, 2019.

Ind AS 12 Income tax (amendments relating to income tax consequences of dividend and uncertainty over other income tax treatments): The Company does not expect any significant impact of this amendment in financial statements.

Ind AS 19 Plan amendment, curtailment or settlement: The Company does not expect this amendment to have any impact on its financial statements

Ind AS 23 Borrowing Cost: The amendment clarifies that if any specific borrowing remain outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of fund that an entity generally borrows when calculating capitalisation rate on general borrowings. The Company does not expect any impact from this amendment.

Ind AS 28 Long term interest in associates and joint ventures: The amendments clarify that an entity applies Ind AS 109 Financial Instruments, to long-term interests in an associate or joint venture that form part of the net investment in the associate or joint venture but to which the equity method is not applied.

Ind AS 103 Business combinations and Ind AS 111 joint arrangements: The Company will apply the pronouncements if and when it obtains control/ joint control of a business that is joint operation.

Ind AS 109 Prepayment features with negative compensation: The Company does not expect this amendment to have any impact on its financial statements

Ind AS 116 will replace existing lease standard Ind AS 17 Leases: Ind AS 116 sets out the principles for recognition measurement, presentation and disclosure of leases for both lessor and lessee.

30. The company has regrouped / reclassified previous year figures where necessary to conform with current year's classification.

The note nos. 1-30 referred to above form an integral part of financial statements.
