INDEPENDENT AUDITOR'S REPORT

To the Members of **Primordial Buildcon Private Limited**

Report on the Financial Statements

We have audited the accompanying financial statements of **Primordial Buildcon Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956;
 - e. on the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.
 - f. Since the Central Government has not issued any notification as to the rate at which the cess is to be paid under section 441A of the Companies Act, 1956 nor has it issued any Rules under the said section, prescribing the manner in which such cess is to be paid, no cess is due and payable by the Company.

Notes to the financial statements for the year ended 31st March, 2013

1. Significant accounting policies

a. Basis of preparation of financial statements

The financial statements are prepared under historical cost convention on the accrual basis of accounting in accordance with the Companies Act, 1956 ("the Act") and the Accounting Principles Generally Accepted in India ("Indian GAAP") and to comply with the Accounting Standards prescribed in Companies (Accounting Standard) Rules 2006 issued by the Central Government in exercise of power conferred under Section 642(1) (a) and relevant provisions of the Act.

b. Use of estimates

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

c. Revenue recognition

i. Real estate projects

In accordance with the "Guidance Note on Accounting for Real Estate Transactions (Revised) 2012" (referred to as "Guidance Note"), Revenue from real estate projects has been recognised on Percentage of Completion (POC) method provided the following conditions are met:-

1. All critical approvals necessary for commencement of the project have been obtained.
2. The expenditure incurred on construction and development is not less than 25% of the total estimated construction and development cost.
3. At least 25% of the salable project area is secured by way of contracts or agreements with buyers.
4. At least 10% of the total revenue as per the agreement of sale or any other legally enforceable document are realised at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the respective contracts.

The estimates of the projected revenues, projected profits, projected costs, cost to completion and the foreseeable loss are reviewed periodically by the management and any effect of changes in estimates is recognized in the period in which such changes are determined.

Unbilled revenue disclosed under other assets represents revenue recognized based on percentage of completion method over and above amount due as per payment plan agreed with the customers. Amount received from customers which exceeds the cost and recognized profits to date on projects in progress, is disclosed as advance received from customers under other current liabilities. Any billed amount against which revenue is recognised but amount not collected is disclosed under trade receivable.

ii. Interest due on delayed payments by customers is accounted on receipts basis due to uncertainty of recovery of the same.

d. Inventories

Land is valued at cost, which is determined on average method. Cost includes cost of acquisition and all other costs incurred till the date of Possession.

e. Project in progress

Project in progress is valued at cost. Cost includes cost of land, materials, construction, services, borrowing cost and other overheads relating to the projects

f. Amortization of Miscellaneous Expenses

Preliminary expenses are charged to revenue in the year in which they are incurred.

g. Accounting for taxes on income

i. Provision for current tax is made, based on the tax payable under the Income Tax Act, 1961.

ii. Deferred tax on timing differences between taxable and accounting income is accounted for, using the tax rates and the tax laws enacted or substantially enacted as on the balance sheet date. Deferred tax Assets are recognized only when there is a reasonable certainty of their realization. Wherever there are unabsorbed depreciation or carried forward losses under Tax laws, Deferred tax assets are recognized only to the extent that there is virtual certainty of their realization.

h. Provisions, contingent liabilities and contingent assets

A provision is recognized when:

- the Company has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

i. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
