Notes to the financial statements for the year ended 31st March, 2013

1. Significant accounting policies

a. Basis of preparation of financial statements

The financial statements are prepared under historical cost convention on the accrual basis of accounting in accordance with the Companies Act, 1956 ("the Act") and the Accounting Principles Generally Accepted in India ("Indian GAAP") and to comply with the Accounting Standards prescribed in Companies (Accounting Standard) Rules 2006 issued by the Central Government in exercise of power conferred under Section 642(1) (a) and relevant provisions of the Act.

b. Use of estimates

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

Revenue is recognized on accrual basis.

d. Amortization of Miscellaneous Expenses

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.
